the energy behind the store for all seasons.

The end?

Fund raising involves meeting financial goals. But that's not the end of it. Fund raising and related activities should also build the enthusiasm and morale of the people involved in both the giving and the getting. The Martin J. Moran Company is keenly aware of this fact and our campaigns show this special, extra touch. Just ask some of our clients: ARCHDIOCESE OF BOSTON, PROVIDENCE COLLEGE, NEW YORK FOUNDLING HOSPITAL, STONEHILL COLLEGE, RELIGIOUS OF THE CENACLE, LUTHERAN HIGH SCHOOL, CATHOLIC DAUGHTERS OF AMERICA, HOLY CROSS BROTHERS, FLORIDA A & M UNIVERSITY, ARCHDIOCESE OF NEW YORK, CATHOLIC UNIVERSITY OF AMERICA, BISHOP BRADY HIGH SCHOOL.

About Our Cover

"In 1872 the first and most important reduction of territory occurred when St. Peter's church on Meeting-house Hill was projected, and the populous northern half of Dorchester made an independent parish . . ." ("History of the Catholic Church in the New England States," by Very Rev. Wm. Byrne, D.D., et al. Boston: Hurd & Everts, 1899.)

"In both its exterior and interior it is a glorious church, one of the finest that this or any other diocese can boast. Particularly beautiful is the square, pinnacled Gothic tower, 150 feet high, which dominates the Dorchester landscape and is visible far out at sea . . ." ("History of the Archdiocese of Boston," by Msgr. Robert H. Lord, et al. New York: Sheed & Ward, 1944.)

The cover illustration shows St. Peter's main altar, focal point of parish devotion for one full century.

EASTER

Easter Sunday is the first Sunday after the first full
moon which occurs on or after March 21. It may be as
early as March 22 or as late as April 25. In 1972 it
will fall on April 2.

The six and a half weeks which precede Easter Sunday
are known as Lent. However, as restrictions are lifted on
Sunday, the forty weekdays of this period constitute Lent
during which the faithful are exhorted to follow the
example of Our Lord and Saviour in His fast of forty
days and nights in the desert. In 1972, Ash Wednesday
will fall on February 16.

The Pontifical Society for the

PROPAGATION OF THE FAITH

Legal Name: The Propagation of the Faith of Boston, Inc.

The Holy Father's Own Missionary Society

For almost a century and a half, the organization of this support from the Catholic faithful has been entrusted to an enterprise of charity known as the Society for the Propagation of the Faith. Through this Society in each country, under the direction of National Directors and Diocesan Directors the alms of the People of God are gathered each year, principally in the parish collections on Mission Sunday.

If it is indeed sadly true that the Society now finds itself unable to meet more than a fraction of the total requirement, it is not because your gifts have become less generous, but rather because of the speed with which the work of the Gospel has been proceeding and the enormous expansion in the works of social development undertaken by the missionaries.

Remember God in your Will through the Society

The day the Catholic families banded together

Back in 1879, a group of recently-arrived Catholic families planted the seed of a new idea, a fraternal insurance society for mutual security and social benefit. The seed became a tree, the tree a forest. Foreseeing such growth, they named their society The Catholic Association of Foresters.

As a member of this non-profit organization, you have many ways to protect your family. Life insurance made flexible to a broad spectrum of needs. Accident and illness income protection. Hospitalization and medical coverage. And other specialized plans.

The association offers social and spiritual activities, programs for underprivileged families. Young members and the children of insured members can compete for Foresters College Scholarships.

Which plans are best for you and your family? Let the Catholic Association of Forester's help. We'll be glad to review your particular needs with no obligation.

Call us at (617) 536-8221 or write for more information.

Gestetner **Add-A-Deck** can save you time, trouble and money on all your Church Literature

Can you think of three better reasons for using the Gestetner Process?

Add-A-Deck For Assembling Your Own Complete **Gestetner ReproCenter**

In less than 60 seconds you can assemble the Add-A-Deck into your own Gestetner ReproCenter. In an area of less than 2 feet by 5 feet your ReproCenter will let you carry out stencil imaging, copying, duplicating and printing – or folding and paper cutting – and also allows you to store your paper, ink, stencils, duplicating accessories, and other supplies – and even file away your imaged stencils for future re-runs.

The Gestetner ReproCenter will blend into your front office decor, conveniently and

aesthetically, because of its pleasing colors (attractive two tone brown) with modern lines. Clean, simple – always ready for instant use.

The savings in space and motion can add up to a substantial cash dividend for you – one you cannot afford to overlook. See it at your local Gestetner Sales and Service office.

The printer for all seasons

Once upon a time all the printing in the Church was confined to monasteries where the monks labored tediously transcribing the words of God for the generations to follow. Centuries later, we at the Fandel Press feel somewhat awed to realize that here in our plant alone we are capable of printing and binding more work in a month than all the monks and artisans of the past ever accomplished in a lifetime. Why is this? The reason is simple. Printing has developed to the point where it is essential to everyday living. It is a vital force for today and the tomorrows of the future. At the Fandel Press, printing has rolled off our presses every working day of every week of every month of every year for fifty-two years . . . indeed the printer for all seasons. Won't you think of us for your next printing order?

You've Seen the light.

Now feel the warmth.

Every day, new converts are joining the thousands of people who have already switched to electric heat.

They like the way electricity heats their houses in the same efficient manner that it provides illumination.

They like a lot of other things electric

heat can do for you, too.

The even warmth—with electric heat you won't suffer from hot spots or cold drafts. The cleanliness—electric heat is flameless so there's no burning, and no soot.

Boston Edison

And they appreciate having a thermostat in every room.

So whether you're planning to build or remodel a ranch house or a rectory, consider the wonders of electric heat.

Now that you've seen the light, isn't it time you felt the warmth?

Practically a New England institution — to choose Gas

Public buildings require a dependable fuel. Small wonder Gas is the choice in so many of them. It's versatile enough to supply even heat in winter and cool comfort in summer and Gas water heating is both fast and economical. When it comes to cooking, there's nothing better than a Gas range. It adjusts instantly. And only Gas gives you smokeless broiling.

Gas is also economical. It keeps buildings clean too. And because Gas equipment has fewer moving parts, it requires fewer repairs — an important consideration in institutional budgets.

If you'd like to find out what a good job Gas can do for you, call 522-5600, Ext. 381. No obligation.

Bostongas

St. John's Seminary Library Building, 117 Lake St., Brighton, has Gas heating and air conditioning.

Elizabeth Seton High School, 50 Oakland St., Wellesley, has Gas ranges.

St. Zepherin's Rectory, 99 Main St., Cohituate, is heated by Gas.

St. Bernard's Convent, 24 Prospect St., West Newton, uses Gas for heat, hot water and cooking.

*Today—
Just as for Generations...*

First National Stores has come a long way over the years, from the corner store which was once so much a part of almost every New England community to the magnificent, modern supermarkets which range from Northern Maine to New York and New Jersey in our own day. But basic "storekeeping" principles have not changed at First National — and they won't.

Today, just as for generations, First National knows that there is no economy without quality. Insistence upon rigid standards of excellence prevail now, as they always have. Quality is guaranteed.

First National is also dedicated to thrift ... to lowest possible prices for its customers every shopping day of the year.

Today First National is quite as concerned as ever with matters of friendliness and courteous service and dependability ... with providing the very best in foods and food shopping, in the famous First National tradition.

The Society of St. James

is a means whereby concerned, enlightened Christians can reach out to their brothers in Latin America. St. James sends people (priests) to people. The priests help in whatever way they can — caring for a sick child in Lima's slums; finding food for an old man in Guayaquil; bringing Christ's sacraments and message to a priestless community in Bolivia. But their main task is to show that others care. By caring . . . by loving . . . by understanding, the St. James fathers hope to persuade those they serve to care about and for themselves.

Do you care? As a concerned Christian will you, through the Society of St. James, reach out and touch your brother in Latin America? Support your *Diocesan Priest Missionaries In Latin America*.

10 years of permanent life insurance from PMF actually costs you only \$35!

How can that be? At age 25, the annual premium for \$10,000 worth of ordinary life insurance from PMF is only \$125.50 a year. In ten years, that means you've invested \$1255. And at the end of that ten years your PMF policy has a guaranteed cash value of \$1220! Only \$35 less than what you paid in!

So a decade of protection has really cost you only \$35, or an average of \$3.50 a year! And the thing to remember, this factor is not true of all life insurance companies. In fact, many companies charge you more and guarantee you less cash value than PMF.

PMF can give you this outstanding life insurance value because we insure only clergymen (and their families, seminary students and missionaries overseas), and we in our chosen profession live longer. Thus we're entitled to lower rates, superior guaranteed cash values, excellent dividend history; add the fact that PMF has never refused a policyholder's claim and it helps explain why PMF provides more life insurance for more clergymen of all religious groups than any other insurance company.

Before you buy any life insurance, contact PMF. The money you save and the guaranteed benefits you receive make life insurance from PMF one of the outstanding family values you can obtain. Clip the coupon below for details.

A totally new approach in catechetics

for today's adolescents

The Pearl and the Seed

by Rev. Alfred McBride, O. Praem.

Conveys major moments in Church history from apostolic times to a view of the Church in the year 2000.

Based on a true understanding of the special needs of the adolescent. Students see the struggles of the Church and of society through the Ages in a unique and subtle relationship with the present—and with their own lives.

Superb illustrations provide outstanding graphic appeal. Detailed Catechists' Guidebooks in parochial and CCD editions.

Write today to learn more about this title and titles 1-7 of the Bible, Life and Worship Series.
